New Requirements Regarding Promotional Items and Fundraisers for Students and Student Groups

Starting November 2013, all items produced for UTHealth-related clubs, groups, activities, fundraisers and events – whether the items are for sale or to give away – must be purchased through Matthews UTHealth Bookstores.

We at UTHealth are fortunate and proud to have diverse and enterprising students that actively participate in university and civic life – in student affinity and service groups, charities, sports leagues and more. Each year, students and student groups across campus create promotional items for their causes and activities, either to sell as fundraisers or give away as gifts.

As members and representatives of UTHealth, students must follow UTHealth policies and procedures in creating and distributing such items. To ensure that standards are met and policies are followed, and to streamline the ordering and approval process for all parties, all students will be required to order UTHealth-related promotional items and apparel via Matthews UTHealth Bookstores.

Matthews has contracted the vendor Club Colors to provide special-order promotional items and apparel to students and student groups. Club Colors is licensed by The University of Texas System Trademark Licensing Office to produce UTHealth-logo items and was chosen for its wide variety of items, knowledgeable customer service and competitive pricing. Every company, including Club Colors, that uses the UTHealth logo pays a royalty to UT System. In turn, UT System shares these royalties with each UT institution. Presently, UTHealth Auxiliary Enterprises places these revenues in Scholarship Endowments for students.

Products can be viewed on the Club Colors website (www.clubcolors.com) or in print catalogs located at each Matthews UTHealth Bookstore location. All orders must be placed through Matthews. The process for creating promotional items follows below.

Thank you for your cooperation in this matter. Please do not hesitate to contact Auxiliary Enterprises with any questions.
