

## PEDIATRICS

### Faculty Elective Coordinator:

Amalia Guardiola, M.D.  
[Amalia.Guardiola@uth.tmc.edu](mailto:Amalia.Guardiola@uth.tmc.edu)

### Elective Coordinator:

See Debbie Hernandez  
MSB 3.153  
713-500-5813  
[Deborah.Hernandez@uth.tmc.edu](mailto:Deborah.Hernandez@uth.tmc.edu)

### Additional Elective Topics

In addition to the departmental elective offerings described on the following pages, students may pursue other interests with faculty by arranging ad hoc electives or Special Projects according to the procedure outlined at the beginning of this book. Some potential elective topics and the faculty contacts are listed below. To explore other possibilities, please contact the departmental elective coordinator.

| Topic                                  | Faculty Name   | Telephone Number |
|--|--|------------------|
| Congenital Coagulation Abnormalities   | Deborah L. Brown, M.D.<br><a href="mailto:Deborah.Brown@uth.tmc.edu">Deborah.Brown@uth.tmc.edu</a>           | 713-500-5737     |
| Special Projects in Pediatric Research | Michelle Barratt, M.D.<br><a href="mailto:Michelle.S.Barratt@uth.tmc.edu">Michelle.S.Barratt@uth.tmc.edu</a> | 713-500-5810     |
| Adolescent Medicine                    | Mona A. Eissa, M.D.<br><a href="mailto:mailto:Mona.A.Eissa@uth.tmc.edu">mailto:Mona.A.Eissa@uth.tmc.edu</a>  |                  |
