

## INFECTIOUS DISEASES

### Faculty Elective Coordinators:

Charles D. Ericsson, M.D.  
[Charles.D.Ericsson@uth.tmc.edu](mailto:Charles.D.Ericsson@uth.tmc.edu)

Gloria P. Heresi, M.D.  
[Gloria.P.Heresi@uth.tmc.edu](mailto:Gloria.P.Heresi@uth.tmc.edu)

### Department Elective Coordinator:

Sandra Warrie  
713-500-6765  
[Sandra.Warrie@uth.tmc.edu](mailto:Sandra.Warrie@uth.tmc.edu)

### Additional Elective Topics

In addition to the departmental elective offerings described on the following pages, students may pursue other interests with faculty by arranging ad hoc electives or Special Projects according to the procedure outlined at the beginning of this book. Some potential elective topics and the faculty contacts are listed below. To explore other possibilities, please contact the departmental elective coordinator.

Topic	Faculty Name	Telephone Number
Infectious Diseases Research (Adult)	B.E. Murray, M.D. <a href="mailto:Barbara.E.Murray@uth.tmc.edu">Barbara.E.Murray@uth.tmc.edu</a>	713-500-6767
Infectious Diseases Research (Pediatrics)	Gloria P. Heresi, M.D. <a href="mailto:Gloria.p.heresi@uth.tmc.edu">Gloria.p.heresi@uth.tmc.edu</a>	713-500-5714
The following mini-elective may be arranged on an ad hoc basis through Dr. Heresi's Office 713-500-5714		
INFD 4M02	Pediatric Infectious Diseases Mini-elective
