CURRENT CLINICAL SERVICE RESPONSIBILITIES

Staff pediatric anesthesiologist with clinical responsibilities that include the complex care of: pediatric neurosurgical, pediatric otolaryngology, pediatric orthopedic, pediatric trauma, fetal and general pediatric surgery patients.

RESEARCH:

1. Left Ventricular Assist Devices in Pediatric Patients – IRB approval to begin study comparing pre-operative and postoperative hemodynamic values with plan to create a treatment algorithm for pediatric cardiovascular anesthesiologists. Texas Children’s Hospital, Baylor College of Medicine, Houston, TX. 2015 – 2016. (Reason for stopping: completed fellowship and left institution).

ABSTRACTS:

1. **Lauren Dies, M.D.**, Jaideep Mehta, M.D., Gokul Thimmamayan, M.D., Mahammad Hussain, M.D. Liposomal Bupivacaine: A Case Report. American Society of Anesthesiology, October 2012.

QUALITY IMPROVEMENT:

1. High Risk Medications in the Operating Room, Children’s Memorial Hermann Hospital. Process improvement plan for solutions to gaps in the process of medication delivery in the operating room contributing to errors, which led to the creation of a surgical safety checklist. 2013 – 2015.
2. Operating Room Efficiency, Memorial Hermann Hospital. Process improvement project to increase the communication between surgical specialties and anesthesiology involving the addition of nonscheduled surgical postings. The project resulted in more effective and timely patient pre-operative evaluations by using a six sigma approach. 2014.
3. Operating Room Turnover Time Efficiency, Children’s Memorial Hermann Hospital. Process improvement plan for improving efficiency in turnover time between pediatric ENT operating room cases. 2018 – current.

LECTURES:

1. Clinical Cardiology and Pulmonary Physiology

- University of Texas Medical School at Houston, Houston, Texas, Department of Anesthesiology Residency, October 2012.
2. Management of Perioperative Cardiac Arrest
University of Texas Medical School at Houston, Houston, Texas, Department of Anesthesiology Grand Rounds, December 2012.
 3. ACLS: A Review
University of Texas Medical School at Houston, Houston, Texas, Department of Anesthesiology Residency Program, May 2012.
 4. Obstetric Anesthesiology for the CA-1
University of Texas Medical School at Houston, Houston, Texas, Department of Anesthesiology Residency Program, October 2013.
 5. Myelomeningocele and Chiari Malformations
University of Texas Medical School at Houston, Houston, Texas, Department of Anesthesiology Residency Program, September 2014.
 6. Anesthesiology In Training Exam Residency Review
University of Texas Medical School at Houston, Houston, Texas, Department of Anesthesiology Residency Program, January 2015.
 7. PBLD: Anesthesia for the Pediatric Cardiac Patient for Non-Cardiac Surgery
Texas Children's Hospital, Baylor College of Medicine, August 2015.
 8. Manifestations of Spasticity and the Impact for the Pediatric Anesthesiologist
Texas Children's Hospital, Baylor College of Medicine, May 2016.
 9. Pediatric Cardiovascular Physiology and Congenital Heart Disease
Texas Children's Hospital, Baylor College of Medicine, March 2016.
 10. Pediatric Urology
University of Texas Medical School at Houston, Houston, Texas, Department of Pediatric Anesthesiology Fellowship Program, February 2017.
 11. Anesthesiology Oral Board Overview
University of Texas Medical School at Houston, Houston, Texas, Department of Pediatric Anesthesiology Fellowship Program, February 2018.
 12. PBLD: Robotic Pediatric Urology in the Pediatric Cardiac Patient
University of Texas Medical School at Houston, Houston, Texas, Department of Pediatric Anesthesiology Fellowship Program, February 2018
 13. Oral Examination Review for Anesthesiology Learners (OERAL) Conference

University of Texas Medical School at Houston, Houston, Texas, Department of Anesthesiology Program, April 2018.

14. Oral Examination Review for Anesthesiology Learners (OERAL) Conference
University of Texas Medical School at Houston, Houston, Texas, Department of Anesthesiology Program, May 2018.
15. Neonatal and Pediatric Anesthesia, FIRST Class Lecture
University of Texas Medical School at Houston, Houston, Texas, Department of Anesthesiology Program, September 2018.
16. Anesthesia for the Medical Student, University of Texas Medical School at Houston, Houston, Texas, Department of Pediatric Anesthesiology Program, Monthly – Fall/Winter 2018.
17. Unexpected Hemorrhage and Management of Emergency Transfusion in the Uncrossmatched Pediatric Patient with Positive but Unknown Antibodies,
University of Texas Medical School at Houston, Houston, Texas, Department of Pediatric Anesthesiology Program, November 2018.
