

Dear Exhibitor,

Thank you for expressing interest in being an Exhibitor or Sponsor at the 2023 Fifth Annual Houston Shock Symposium. The Symposium will take place on Friday, April 14th through Sunday, April 16th, 2023 at the Royal Sonesta Galleria Houston, Texas. We expect over 600 attendees, mainly Physicians, Fellows in Training, Nurses, Nurse Practitioners, and Physician Assistants.

We are offering a separate, easily accessible space for our exhibitors to feature their products and interact with our attendees. As well, we will have a technical Skills lab during the event, and we will have case-based discussions, debates, and clinical presentations.

Houston Shock Symposium 2023 offers several venues of partnership with our industry sponsors as shown below.

Application is due on or before Monday, April 3rd, 2023

Terms and Conditions for Exhibitors

1. In order to be considered an Exhibitor, an application form must be completed and delivered to the Houston Shock Symposium before the deadline.
2. Exhibition booths may only be used for exhibiting and advertising the Exhibitor's own products, materials or services. Advertising materials may be only distributed within the confines of the Exhibitor's booth. Any promotion outside the respective exhibition space is not allowed. The Exhibitor's booth needs to be occupied at all times during exhibition hours.
3. Exhibitor is responsible for insuring its equipment and all related display materials against the risk of loss or destruction. Neither The Houston Shock Symposium nor The University of Texas Health Science Center at Houston will provide insurance against such loss or destruction and under no circumstances will either be liable for any loss, damage or destruction caused to equipment, goods or property belonging to the Exhibitor. The Exhibitor shall be responsible and liable for their own property and personnel.
4. Booth set up will be allowed two hours prior to opening of the exhibit space. Exhibitors will not be permitted to hang any material from the walls, stairs, or doors of the designated exhibit space.
5. The Exhibitor must dismantle and clean their booth area within 2 hours after the end of the symposium each day. The Exhibitor is responsible for removing and storing its equipment and other display materials. Neither the Royal Sonesta Houston, nor The Houston Shock Symposium, nor The University of Texas Health Science Center at Houston will be responsible for any Exhibitor equipment or other display materials left in the exhibit space.
6. The Exhibitor may only perform equipment demonstrations during the breaks between each Houston Shock Symposium session.

Exhibitor agrees to indemnify and hold harmless The University of Texas Health Science Center at Houston, its governing board, officers, employees, and representatives from any and all liability that may result from Exhibitors, its employees, contractors, or agents negligent or intentional acts or omissions while participating as an exhibitor at the Houston Shock Symposium,

I have read and agree to all the terms and conditions referenced above.
