NOTE: This must be done through either a Harris Health networked computer or through the Internet Explorer browser in Citrix.

(1) Access the Harris Health intranet home page through either a Harris Health network computer or through the Internet Explorer browser through Citrix.

(2) Select Document Control Center button [as seen below].
(3) Select Policies and Procedures button.

(4) Enter “Medical Staff Rules and Regulations” into search field.
(5) Press Search and obtain results.
