HOW TO WATCH A MOVIE

Sandy Frieden, Ph.D.
Adjunct Assistant Professor
University of Houston

April 18 | 12:00-1:00 PM
MSB 3.001

Watching a film well requires that we pay attention to how people are behaving and relating; that we wonder about the values behind their behaviors; that we notice how we feel about what is going on; that we investigate the context that gave rise to this film. And, we want to be able to talk about what we think and feel, to listen to others’ comments, and to be able to have a civil discussion.
