UNIFORMS/BADGES:
Two three-quarter-length coats are supplied to each resident in his or her first year, and one additional coat is supplied in each subsequent year of training. Additionally, each Resident is furnished an official identification badge.

FOOD SERVICES/CALL ROOMS:
Residents on duty are provided with access to adequate food services 24 hours a day in all institutions. Residents on call are provided with access to appropriate sleeping quarters.

RECREATION CENTER:
Residents are able to receive a discount membership to the UTHSC-H Recreation Center. Additional information is available at: http://www.uth.edu/auxiliary-enterprises/

EMPLOYEE ASSISTANCE AND WORK/LIFE PROGRAM:
Residents are eligible to use both the UT Employee Assistance Program (EAP) and the Work/Life Program.
- The Employee Assistance Program offers services to help residents resolve problems in their personal lives that may affect performance in their Programs. Refer to the Employee Assistance Program web page at www.uthouston.edu/uteap for specific services available.
- The Family Work/Life Programs offer assistance in balancing your work and personal lives through a variety of services. Additional specific information is available at www.uthouston.edu/uteap

DRUG SCREENING AND BACKGROUND CHECK:
All new and transferring residents and fellows are required to complete a drug screen and criminal background check before beginning their residency/fellowship.

UT SYSTEM MEDICAL FOUNDATION:
Residents / Fellows are employees of the UT System Medical Foundation. For further information, including more specific insurance plan information, please see the web page listed below:

https://med.uth.edu/oep/gme/medical-foundation/

Or call: 713-500-5243

### Benefits

#### Vacation:
Residents are permitted the equivalent of three (3) calendar weeks of vacation each year. This is made up of 15 business days and 6 weekend days. Shorter contracts have prorated vacation day balance. Residents must coordinate vacation scheduling with the respective Program, as well as with other residents in the department to ensure adequate coverage. No more than two (2) consecutive weeks of vacation may be taken without permission of the Program Director.

#### Sick Leave:
Paid sick leave accumulates at a rate of one day each month and accumulates to a maximum of thirty days. Paid sick leave carries forward from year to year, but will not be compensated upon termination. In the event an illness exceeds accumulated paid sick leave and vacation time, a leave of absence without pay may be granted.

#### Leave of Absence:
Leave of Absence (LOA), including Leave Without Pay (LWOP): All requests for LOA must be approved by the Program Director in accordance with applicable state and federal laws and accreditation requirements. LOA may be comprised of paid leave (including both paid sick leave and vacation) and/or LWOP. When LOA is requested for a medical reason (including maternity and paternity leave), the Resident must exhaust all accumulated sick leave and vacation prior to beginning any LWOP. Consistent with the Federal Family and Medical Leave Act of 1993 (FMLA), the UT System Foundation will grant up to 12 calendar weeks of leave in a 12-month period to residents. The duration of LOA must be consistent with satisfactory completion of training (credit toward specialty board certification), which will be determined by each department in consultation with the GME Office.

#### Retirement Benefits:
The UT System Medical Foundation makes available to residents and fellows a 403(b) tax-deferred annuity program. The program is currently offered through and administered by TIAA-CREF and offers a variety of investment options. Participants may contribute through payroll deduction up to the IRS limit.

#### Group Insurance Benefits:
- Health insurance is provided to the resident at no cost. Premium coverage is available at a minimum cost. Dependent coverage is not paid, but is available at group rates.
- Dental Insurance is provided at no cost to the resident.
- $100,000 of life insurance is provided to the resident. Dependent coverage is not provided, but may be purchased at group rates.
- Long-term Disability Insurance is provided to each Resident. This is a two-part benefit package. The nominal premium for Part A is paid through monthly payroll deductions. Residents are required to participate. Part B coverage is sponsored by the Texas Medical Insurance Trust and is at no cost to the Resident. Dependent long-term disability coverage is not available.

#### Professional Memberships:
During new resident orientation, residents will automatically be enrolled as members of the Harris County Medical Society and the Texas Medical Association. Annual dues for these organizations are paid on behalf of the resident by the Texas Medical Association Insurance Trust.

#### Professional Liability Insurance:
Professional liability insurance (PLI) is provided through the UT System Professional Liability Self-Insurance Program at no cost to the resident. This insurance does not cover any professional activities not assigned by the training program.
