APPLICATION FOR ELECTIVE ROTATION AT OTHER FACILITIES
OFFICE OF GRADUATE MEDICAL EDUCATION

All UTHealth Residents and Fellows that do an away elective rotation must fill out this application and submit the following documents. Residents are responsible for all travel costs including housing and parking.

REQUIRED ATTACHMENTS: Turn in to the GME Office at least 30 days prior to rotation.

- Letter/email of invitation from the host institution - This is personalized to the specific Resident and should confirm that there will be on-site supervision for the entire duration of the elective and identify this individual. It should also confirm that this on-site professional will be able to provide an evaluation of the Resident’s performance.
- Copy of signed Program Letter of Agreement - The home program must secure a Program Letter of Agreement with the host institution. This should detail goals and objectives of the rotation. These goals must supplement the curriculum offered by the home program. The host site must accept responsibility for supervision of the Resident and adherence with ACGME guidelines on duty hours.

ADDITIONAL ATTACHMENTS FOR INTERNATIONAL AWAY ROTATIONS ONLY

- A letter of good standing from the resident/fellow(s) current program director. This letter must include dates of the rotation, the institution/facility of the rotation, the institution/facility location of the rotation, supervising faculty, and that the rotation is within the educational scope of the resident/fellow(s) training.
- AMBS Member Board Approval - Program Directors must ensure that the International Elective will be counted toward residency/fellowship training months required by the specialty board requirements for certification. GME requires that for International Electives, the Program Director shall provide written approval from the appropriate specialty board.

Note: All resident/fellow(s) rotating outside the country must turn in their documents 60 days prior to the start of the rotation. Additional approval is required by the UT System Office in Austin. This approval is obtained by the GME office on your behalf once all your completed documents are obtained.
