### How to login to UTH-Share from outside the university intranet.

---

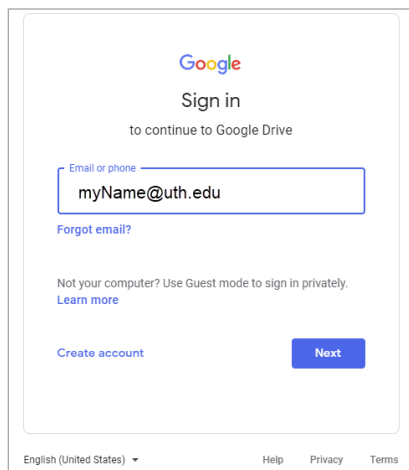

1. Open an internet browser and log out of any personal gmail or google accounts.

**Tip** Use different internet browsers for UTHealth and your personal google account. For example, Google Chrome for UTH-Share, and Firefox for your personal Google Account.

2. Go to <http://drive.google.com/> and click on Go to Google Drive

3. Enter your UTH Share ID (username@uth.edu) and click next. If you need to reset your UTH Share ID go to <https://www.uth.edu/uthshare/>

4. This will take you to the UTH login screen. Log in with your UTHealth credentials.
5. Follow the instructions on the next screen for Duo Two Factor Authentication.

**Tip** Click the "Remember me for 365 days" button so you won't have to do this every time you log in.

6. That will open your UTH Share drive.
