EDWARD T. SMITH ORTHOPAEDIC LECTURESHIP

Knee Ligament Injuries: What you need to know

COURSE CHAIRMAN
Walter R. Lowe, MD
Professor and Chairman
Department of Orthopaedic Surgery
Edward T. Smith Endowed Chair
McGovern Medical School at UTHouston
Houston, TX

Christopher D. Harner, MD
Professor
Vice Chair of Academic Affairs
Director of the Sports Medicine Fellowship
Department of Orthopaedic Surgery
McGovern Medical School at UTHouston
Houston, TX

Steven E. Flores, MD
Assistant Professor
Department of Orthopaedic Surgery
McGovern Medical School at UTHouston
Houston, TX

Jointly provided by:

University of Nevada
School of Medicine

UTHealth
McGovern Medical School

http://medicine.nevada.edu/cme/etslectureship2016
Course Description

The Edward T. Smith Orthopaedic Lectureship Series has been a tradition in the Department of Orthopaedic Surgery for the past 59 years in honor of our first Chairman, Edward T. Smith, MD. The activity is directed primarily towards surgeons, residents, fellows and allied healthcare providers currently treating patients for musculoskeletal disease and/or injury. A distinguished faculty will present their experience, techniques and pearls of wisdom regarding current treatments and procedures available. Ample question and answer sessions will be provided.

Target Audience
SPORTS MEDICINE AND ORTHOPEDIC PHYSICIANS, FELLOWS, RESIDENTS, NURSE PRACTITIONERS, ORTHOPEDIC NURSES, PHYSICIAN ASSISTANTS, ORTHOPEDIC SURGICAL ASSISTANTS AND OTHER HEALTHCARE PROFESSIONALS INTERESTED IN ORTHOPEDIC SURGERY AND SPORTS MEDICINE.

Objectives

Upon completion of this activity, participants should be able to:

• **Assess, evaluate and manage** injuries to all four major ligaments of the knee along with treatment options.
• **Recognize** current knee ligament reconstructive procedures.
• **Formulate** alternative surgical approaches for the treatment of knee ligament injuries.
• **Discuss** actual cases of various sports-related traumatic injuries and their management strategies based on new knowledge of pathophysiology and technical advances.
• **Apply** innovative methods of assessment and management for various trauma and sports related injuries, relating to the specific needs of the individual patient.
• **Learn and practice** new surgical skills through participation in hands-on cadaver labs.

Accreditation

Physicians: CME Accreditation
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The University of Nevada School of Medicine and The University of Texas Health Science Center at Houston. The University of Nevada School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation
The University of Nevada School of Medicine designates this live activity for a maximum of up to 22.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: For the purpose of recertification, the American Nurses Credentialing Center (ANCC) accepts AMA PRA Category 1 Credits™ issued by organizations accredited by the ACCME.

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

Physical Therapy – An application has been submitted to the Texas Physical Therapy Association for continuing education approval.

AAPC – An application has been submitted to the American Academy of Professional Coders for continuing education approval.

Breakdown of credit hours by day
Thursday - 7.5 credit hours
Friday - 8 credit hours
Saturday - 7 credit hours
accommodation for a disability is needed.

04:00 pm Adjourn

Registration Information
The registration fee includes Thursday and Friday’s sessions, breakfast, breaks and lunch for the participant only. A confirmation letter will be sent upon receipt of your registration and payment (no registration is confirmed without full payment).

The early bird advanced registration deadline is October 14, 2016. Registrations received after this date will be charged the late fee. Online registration will close on Monday, October 31, 2016. After this date attendees must register on-site and pay on-site registration fees.

Hands-on Surgical Skills Lab
Saturday, November 5, 2016
Separate Registration is required.
Space is limited. Physicians Only.
Early registration is suggested.

Refund / Cancellation Policy
Registration fees will be refunded minus a cancellation/administrative fee of $75.00 until October 21, 2016 with written notification to The University of Nevada School of Medicine, Office of Continuing Medical Education. No refunds will be made on or after October 22, 2016. The University of Nevada School of Medicine and UT Health Department of Orthopedic Surgery reserve the right to cancel the program due to unforeseen circumstances, in which case the full enrollment fee will be refunded. The University of Nevada School of Medicine and UT Health Department of Orthopedic Surgery is not responsible for travel expenses incurred by participants if the course is cancelled. “No Shows” are not eligible for a refund.

Please note the course syllabus will be on the web, no CD or handouts will be provided. If you would like to access the presentation slides during the course, we suggest you bring your laptop computer.

Accommodations
Hotel ZaZa
5701 Main Street Houston, Texas 77005
Phone: 713-526-1991
http://www.hotelzaza.com/#houston

Hotel ZaZa makes business in Houston TX a breeze. Corporate travelers enjoy large rooms and suites outfitted with working desks and generous complimentary perks such as wired and wireless Internet access. A special group rate of $199 for a traditional room type plus the current tax rate are offered for our meeting dates. Call the Hotel ZaZa at 713-526-1991 for reservations. Please mention that you will be attending the Edward T. Smith Conference to receive the special group rate. The rooms at this hotel fill quickly so we encourage booking your reservation early.

Check in Time – 4:00pm | Check out Time – 12:00pm

Airports
Just 30 minutes south of the George Bush Intercontinental Airport and 20 minutes northwest of the William P. Hobby airport.
