PROCEDURES AT THE TIME OF DEATH

1. Call the UT Outreach Lab at 713-500-5258.
2. Call your funeral director and confirm that an autopsy will be performed.
3. Arrange for transportation through the funeral director or ambulance service you have chosen. If the time of death occurs on a weekend outside of office hours (Saturday, 7:00 a.m. - 12:00 p.m.), coordinate transport of the deceased with the funeral director.
4. Have the date and time filled in on the Authorization for Postmortem Examination of the Brain and Release of Body form.
5. The signed and dated Authorization for Postmortem Examination and Release of Body, Payment Authorization and the Health Insurance Portability and Accountability (HIPAA) RELEASE form MUST accompany the deceased to The Memorial Hermann Hospital Morgue; otherwise the autopsy cannot be performed.
6. After the autopsy, the deceased will be brought back to the funeral home by the same transportation that was used previously. The transportation service can wait while the autopsy is performed, if it is during the mortician's office hours.
7. The funeral procedures you have chosen will then be carried out.
