UT Center of Excellence on Mood Disorders

Mood Swings? Bipolar Disorder?

UTCEMD is currently recruiting subjects for a genetic study. You may be eligible if:

- Between 18-65 years old
- Diagnosed with Bipolar I or II
- No current, unstable medical conditions
- Not currently pregnant

If you are interested in participating or would like to know more about the study, please call 713-486-2627.

The risks and benefits of participation will be discussed with you.
OTHER STUDIES AT UTCEMD
