

# Internship Admissions, Support and Initial Placement Data

## Internship Program Admissions

Date Program Tables are updated: 09/01/2020

**Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:**

An applicant must have completed 3 years of study in an accredited clinical, counseling or school psychology doctoral program in USA or Canada before internship. Must have successfully proposed dissertation before applying. Should have evidence of scholarly experience as demonstrated by publications and/or presentations at professional meetings.

**Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:**

Total Direct Contact Intervention Hours	N	<u>Y</u>	Amount: 500 hrs
Total Direct Contact Assessment Hours	N	<u>Y</u>	Amount: 200 hrs

**Describe any other required minimum criteria used to screen applicants:**

Applicants are preferred to have experience with both children/adolescents and adults in intervention or assessment. Applicants should have training in evidence based practices. Dissertations involving original research are preferred. Applicants should have evidence of research productivity by at least 1 publication or presentation.
