Happy August Everyone!

Hope everyone is having a great summer! As of August 4th, we have currently enrolled **166 subjects** in SEGA. We enrolled a total of 6 subjects in the month of July, and one subject so far in August, with half of these new enrollments coming from Wake Forest, Geisinger and Henry Ford! We are so excited to see an increase in enrollment from many of our centers, and cannot thank everyone enough for their hard work in making this happen.

We would like to give a huge shout-out to **Dr. Chebl and his team at Henry Ford**, for enrolling their first subject in SEGA! We are so thankful for his team’s hard work and persistence with SEGA trial.

More exciting news this month as teams at **Geisinger** and **Wake Forest** are also doing fantastic work, and have both enrolled their second subjects into the SEGA trial during July! Great work!

**UPCOMING DSMB MEETING**

Another update this month, is that we are preparing for, and planning a DSMB meeting for the beginning of September. This will be the trial’s fourth DSMB meeting, and will also include the interim Analysis. We will be sure to update all of the sites with the results and report from this meeting.

**LESS THAN 100 SUBJECTS TO GO!**

We are now only **94 subjects** away from our target enrollment. We want to thank each and everyone of you for helping us reach this point. With that being said, let’s continue to push and increase enrollment as we get closer and closer to that **260 subject mark**!

**CONTACT INFORMATION**

Just a reminder that the SEGA Hotline has been discontinued, and we are now using our personal cell phone numbers for SEGA emergencies and enrollment help. Please use these numbers:

- **Eddie**: 832-398-1296
- **Allie**: 503-501-9912
- **Dr. Chen**: 281-881-6426

We are happy to provide assistance at any hour with urgent matters and enrollment/randomization help.
