

CURRICULUM VITAE

NAME: Lawrence (Lars) J. Cisek, Jr., MD PhD

PRESENT TITLE: Professor and Chief of Pediatric Urology
Department of Pediatric Surgery

ADDRESS: The University of Texas Health Science Center at Houston
Department of Pediatric Surgery
Division of Pediatric Urology
6431 Fannin Street, MSB 5.220, Houston TX 77030

UNDERGRADUATE EDUCATION:

1978 Precollege Program, Harvard University, Boston, MA

1979–1982 Bachelor of Arts, Magna Cum Laude, Biochemistry, University of
Pennsylvania, Philadelphia, PA

MEDICAL EDUCATION OR GRADUATE EDUCATION:

1982–1990 Doctor of Medicine, Doctor of Philosophy – Biochemistry, Cellular, and
Molecular Biology, Johns Hopkins University, School of Medicine,
Baltimore, MD

POSTGRADUATE TRAINING:

1990–1992 Junior Assistant Resident and Intern in Surgery, Department of Surgery,
Johns Hopkins Hospital, Baltimore, MD

1992–1996 Resident in Urology, Brady Urologic Institute, Johns Hopkins Hospital,
Baltimore, MD

1996–1999 Fellow, Harvard University Medical School and Children’s Hospital,
Boston / Harvard Center for Minimally Invasive Surgery, Boston MA

1999–2001 Fellow, Pediatric Urology, Scott Department of Urology, Baylor College
of Medicine, Texas Children’s Hospital, Houston TX

2014–2015 UMN Health QI Collaborative

ACADEMIC AND ADMINISTRATIVE APPOINTMENTS:

2001–2013 Assistant Professor of Urology, Scott Department of Urology, Baylor
College of Medicine, Houston, TX

- 2013–2016 Director of Pediatric Urology, UMMC Department of Urology, Fairview, Minneapolis, MN
- 2017 - Present Professor and Director of Pediatric Urology
The University of Texas Medical School at Houston, Houston, TX

HOSPITAL APPOINTMENTS:

- 2013–2016 Active Staff, Amplatz Children’s Hospital
- 2013–2016 Attending Physician, University of Minnesota Medical Center
- 2013–2016 Attending Physician, Fairview Ridges Hospital
- 2013–2016 Attending Physician, Fairview Maple Grove Medical Center
- 2013–2016 Attending Physician, St. Paul Children’s Hospital
- 2013–2016 Attending Physician, Hennepin County Medical Center
- 2017–Present Attending Physician, Children’s Memorial Hermann Hospital,
Memorial Hermann Hospital Texas Medical Center

OTHER PROFESSIONAL TRAINING/EXPERIENCE:

Da Vinci Surgery System Certification

LICENSURE:

Texas Medical Board License (L0774), October 2000
Minnesota Board of Medical Practice (56291), May 2013

CERTIFICATION:

American Board of Urology, Board-certified, 2003
American Board of Urology CAQ Pediatric Urology, Board-certified, 2010

PROFESSIONAL ORGANIZATIONS:

- 1994 American Urological Association
- 1997 Society of Laparoendoscopic Surgeons
- 2001 Endourology Society
- 2005 International Pediatric Endosurgical Group
- 2005 American Association of Pediatric Urologists

HONORS OR AWARDS:

National Honor Society
Merit Scholar, National Merit Scholarship Corporation
Eagle Scout, Order of the Arrow
Dean's List, 1979–1980
Numerals, Crew, 1980
Numerals, Junior Varsity Letter, 1981
Coach's Award, 1980–1981
Dean's List, 1980–1981, 1981–1982
Numerals, Varsity Letter, 1982
Phi Beta Kappa, University of Pennsylvania, 1982
Medical Scientist Training Program, Johns Hopkins University School of Medicine, 1983–1990
United States Surgical Corporation Fellowship in Minimally Invasive Surgery, Minimally Invasive Surgery, 1996–1999
Endourology Essay Prize, First Place, *Pneumoperitoneum Produces Recoverable Renal Dysfunction in Animals with Normal and Chronically Reduced Renal Function*, 1997

EDITORIAL POSITIONS:

Reviewer - Journal of Urology
Reviewer - Urology
Reviewer - Journal of Endourology
Reviewer - Journal of Pediatric Urology

TEACHING RESPONSIBILITIES:

A. Didactic Course Work

1. Courses Taught External to Primary Department:

- a. Lecturer – Pathophysiology Urology Gynecology Core – Pediatric Urology/Embryology
- b. Lecturer – Surgery Core – Pediatric Urology
- c. Lecturer – pathophysiology – Disorders of Sexual Differentiation

B. Non-Didactic Teaching:

1. Resident Training:

- a. Urology
- b. Pediatrics

2. Clinical Fellow Training:

- a. Pediatric Urology
- b. Minimally Invasive Surgery

3. Medical Student Mentoring:

- a. Urology Selective – Surgery Core
- b. Urology Elective

C. Lectures:

1. International:

1. World Congress on Endourology and SWL, Edinburgh Scotland, 1997.
2. World Congress on Endourology and SWL, Rhodes Greece, 1999.
3. Practical Urology at Klina Second Symposium, “Laparoscopic Renal Surgery,” Antwerp, Belgium, 2002.
4. 21st World Congress on Endourology, Montreal Canada, 2003.
5. World Congress on Endourology and SWL, Mumbai, India, 2004.
6. World Congress on Endourology and SWL, Amsterdam, 2005.
7. World Congress on Endourology and SWL, Cleveland 2006.
8. Pediatric Urology Laparoscopy Course, Toronto, 2007.
9. International Pediatric Endosurgery Group, Buenos Aires, 2007.
10. International Pediatric Endosurgery Group, Cannes, 2008.
11. World Congress on Endourology and SWL, Chicago 2010.

2. National:

1. Gordon Conference – Animal Cells and Viruses, 1989.
2. Society for Basic Urologic Research, 1994.
3. 91st Annual Meeting American Urological Association, Orlando, FL, May 1996.
4. Annual Meeting American Academy of Pediatrics – Section on Urology, 1997.
5. 93rd Annual Meeting of the American Urological Association, San Diego, CA, May 30 June 4, 1998.
6. Society for Pediatric Urology, 1998. Wound Healing Society, 1998.
7. World Congress on Endourology and SWL, 1998.
8. American College of Surgeons, 1998.
9. 94th Annual Meeting of the American Urological Association, Dallas, TX, May 1–6, 1999.
10. Annual Meeting American Academy of Pediatrics – Section on Urology, 2000.
11. Society of Laparoscopic Surgeons, Orlando, FL 2000.
12. American College of Surgeons, New Orleans, LA, 2001.
13. 97th Annual Meeting of the American Urological Association, Orlando, FL, May 25–30, 2002.
14. 10th Innovations in Urologic Practice, Santa Fe, NM, September 26–28, 2002.
15. 98th Annual Meeting of the American Urological Association, 2003.
16. Annual Meeting American Academy of Pediatrics, 2003.
17. 11th Innovations in Urologic Practice, Santa Fe, NM, September 18–20, 2003.
18. 99th Annual Meeting of the American Urological Association, 2004.
19. 12th Innovations in Urologic Practice, Santa Fe, NM, September 30 – October 2, 2004.
20. American Academy of Pediatrics 2004 National Conference and Exhibition in San Francisco, CA, October 9–13, 2004.

21. 100th Annual Meeting of the American Urological Association, 2005.
22. 13th Innovations in Urologic Practice, Santa Fe, NM, 2005.
23. American Academy of Pediatrics 2005 National Conference and Exhibition, 2005.
24. 101st Annual Meeting of the American Urological Association, 2006.
25. 14th Innovations in Urologic Practice, Santa Fe, NM, 2006.
26. 102st Annual Meeting of the American Urological Association, 2007.
27. 15th Innovations in Urologic Practice, Santa Fe, NM, 2007.
28. American Academy of Pediatrics 2007 National Conference and Exhibition, 2007.
29. 103rd Annual Meeting of the American Urological Association, 2008.
30. American Academy of Pediatrics 2008 National Conference and Exhibition.
31. 104th Annual Meeting of the American Urological Association, 2009.
32. American Academy of Pediatrics 2009 National Conference and Exhibition Moderator laparoscopy session.
33. 105th Annual Meeting of the American Urological Association, 2010.
34. World Congress on Endourology and SWL, 2010.
35. American Academy of Pediatrics 2010 National Conference and Exhibition Moderator Laparoscopy session.
36. 106th Annual Meeting of the American Urological Association, 2011.
37. American Academy of Pediatrics 2011 National Conference and Exhibition Moderator Laparoscopy session.
38. World Congress on Endourology and SWL, New Orleans 2013. Moderator Pediatrics poster session.
39. Texas Urology Assoc, Spring 2013. Robotic Surgery in Children.

3. Local:

1. "Update on Minimally Invasive Surgery: 2002," Urologic Laparoscopy, April 20–20, 2002.
2. "UTI's, VCUg's and Reflux - Much Ado About Nothing?," "Pediatric Practice Update, March 30- April 1 2005.
3. Pediatrics Grand Rounds Texas Childrens Hospital. To Circ or not to Circ, The new AAP circumcision guidelines Nov 2012.
4. Surgery Grand Rounds Texas Childrens Hospital. Surgical Paradigms Oct 13.
5. Pedi Grand Rounds Vessicoureteral Reflux Amplatz Childrens hospital June 2013.

CLINICAL SERVICE RESPONSIBILITIES:

A. Patient Care Responsibilities at BCM and/or its Affiliated Institutions:

1. **Section or Specialty:**
 - a. Pediatric Urology
 - b. Minimally Invasive Urologic Surgery

B. National Education or Voluntary Health Organization Participation:

1. Medical Bridges – Mission to Kerala, India, 2004
2. Medical Bridges – Mission to Monsura, Egypt, 2009

3. TCH - Mission to Nagercoil, India, 2010
4. IVU laparoscopy training workshop to Childrens hospital #2 Ho Chi Min City 11/12
5. IVU laparoscopy training workshop to Childrens hospital #2 Ho Chi Min City 3/14

C. Administrative Assignments at BCM:

1. **Department Administration/Committees:**

- a. Resident Education Committee 2001–2013

2. **College Administration/Committees:**

- a. Admissions Committee 2001–2008

D. Administrative Assignments at TCH:

1. Therapeutic Abortion and Sterilization Committee, 2005 – 2013
2. Organ Donation and Transplantation Committee, 2006 - 2013
3. OR Renovation Working Group, 2006- 2008
4. Fetal Center/and Therapy Planning Committee, 2007- 2013

E. Responsibilities at UMN and/or its Affiliated Institutions:

1. **Department-Wide:** Division Chief Pediatric Urology
2. **Section or Specialty:**
 - a. Pediatric Urology
 - b. Minimally Invasive Urologic Surgery

F. National Education or Voluntary Health Organization Participation:

- a. IVU laparoscopy training workshop to Childrens hospital #2 Ho Chi Min City 3/14

G. Administrative Assignments at Masonic Children’s Hospital

- a. Interdisciplinary Care Team Masonic Childrens, 2013-2016
- b. Operating Principles Committee 2014-2016

D. INVITED LECTURES, PRESENTATIONS, AND RESEARCH SEMINARS

- 1) Faculty, Laparoscopy in Urology, Update on Minimally Invasive Surgery: 2002, Houston April 9-10, 2002.
- 2) Faculty, "Laparoscopic-Assisted Urinary Tract Reconstruction" and "Management of the Undescended Testicle – Is There Anything New?" 10th Innovations in Urologic Practice, Santa Fe, NM, September 26–28, 2002.
- 3) Faculty, "Management of the Adolescent with a Varicocele," "DaVinci, Zeus, and the Renaissance in Surgery," and "Two-Millimeter Veress Access for Pediatric Urological Laparoscopy (Video)." 11th Innovations in Urologic Practice, Santa Fe, NM, September 18–20, 2003.
- 4) Faculty, "Access Strategies for Laparoscopy – How to Get In and Out," "Pediatric Urolithiasis," and "Update on Reflux." 12th Innovations in Urologic Practice, Santa Fe, NM, September 30 – October 2, 2004.
- 5) Panel Member, Video Forum On Advanced Injection Techniques - Injection For High- Grade Reflux. Society for Pediatric Urology. San Antonio, 2005.
- 6) Faculty, "UTI's, VCUg's and Reflux - Much Ado About Nothing?," "Pediatric Practice Update, Houston, TX March 30- April 1 2005.
- 7) Faculty, "Minimally Invasive Approaches to UPJ Obstruction," "Surgical Pearls – Laparoscopy in Obesity," "Trouble – Getting Out, Staying Out" 13th Innovations in Urologic Practice, Santa Fe, NM, Sept 22 – 25, 2005.
- 8) Co-Director, "Management of Pediatric Urololithiasis," "To Circ or not to Circ - Circumcision and Health," "Oops, Complications During Laparoscopic Surgery", 14th Innovations in Urologic Practice, Santa Fe, NM, Sept 28 – 30, 2006.
- 9) Co-Director, "Laparoscopic Complications". 1st pediatric Urology Fellow Laparoscopy Course. Toronto, July 2007.
- 10) Panel Member, Video Forum, Laparoscopy – Extreme retroperitoneal laparoscopy. Society for Pediatric Urology], Anaheim, 2007.
- 11) Faculty Member, Pediatric Urology Laparoscopy Course, Toronto, July, 2007.
- 12) Co-Director, "Practice differences: Adult vs Pediatric Urology" 15th Innovations in Urologic Practice, Santa Fe, NM, Oct 18-20, 2007.
- 13) Faculty Member, "Laparoscopy: Physiology and Complications." Pediatric Urology Board Review Course, Dallas February 2008.

- 14) Panel Member, Video Forum: Less Common Ureteral reimplantation Surgery-Laparoscopic ureteral reimplantation, Society for Pediatric Urology/AUA, Orlando 2008.
- 15) Co- director, Laparoscopic Complications. 2nd Pediatric Urology Laparoscopy Course, Toronto, August, 2008.
- 16) Challenges in Pediatric Urology: The Epidemic of Childhood Obesity and Pediatric Stone Disease Lars Cisek, MD SPU Apl 2009 Chicago.
- 17) Faculty Member, Port placement laparoscopy. 4th Pediatric Urology Laparoscopy Course, Toronto, August, 2010.
- 18) Faculty Member, Port placement laparoscopy. 5th Pediatric Urology Laparoscopy Course, Toronto, August 2011.
- 19) Faculty Member, Complications. 6th Pediatric Urology Laparoscopy Course, Toronto, August 2012.
- 20) Faculty Member, Complications. 7th Pediatric Urology Laparoscopy Course, Toronto, August 2013

RESEARCH SUPPORT:

1. *Title of Project (and/or Subproject):* Ecology of Antibiotic Resistance Plasmids in Salmonella
Principal Investigator: Charles E. Benson, Ph.D.
Institution: Department of Microbiology,
University of Pennsylvania, School of Medicine
Philadelphia, PA
Dates of Project: 1981–1982
2. *Title of Project (and/or Subproject):* Phosphorylation of the Carboxyl Terminal Repetitive Domain of the Largest Subunit of RNA Polymerase II
Principal Investigator: Jeffrey LCorden, Ph.D.
Institution: Department of Molecular Biology and Genetics,
Johns Hopkins University, School of Medicine
Baltimore, MD
Dates of Project: 1985-1990
3. *Title of Project (and/or Subproject):* Development of Minimally Proliferative *In Vitro* Prostate Tumor Model for Modeling of Antineoplastic Treatments, Investigation of Antineoplastic Properties of Fatty Acid Synthetase Inhibitors
Principal Investigator: John T. Isaacs, Ph.D.
Institution: Brady Urologic Institute and The Oncology Center
Johns Hopkins Hospital,
Baltimore, MD
Dates of Project: 1993–1994

4. *Title of Project (and/or Subproject):* Mechanisms of Wound Healing; Effects and Applications of Cationic Resins in Surgery and Wound Repair
Principal Investigators: Nabil Tawil, Ph.D. and Eliot Gruskin, Ph.D.
Institution: United States Surgical Corporation
North Haven, CT
Dates of Project: 1997
5. *Title of Project (and/or Subproject):* The Role of Minimally Invasive Surgical Approaches to Pediatric Urologic Disease; Issues in and Methods of Surgical Approaches to the Fetus, Evaluation of Bulking Agents for Urologic Applications, Advanced Laparoscopic Techniques Development; Biochemistry of Ureteral Wound Healing
Principal Investigators: Craig A. Peters, M.D., Arthur Lage, D.V.M., and Amour R. Forse, M.D.
Institution: Harvard Center for Minimally Invasive Surgery, Boston, MA
Dates of Project: 1996–1999
